BUFFALO™

AirStation™ N Technology Wireless-N150

Wireless-N150 Ultra Compact USB 2.0 Adapter

WLI-UC-GNM

AirStation N-Technology Wireless-N150 Ultra Compact USB 2.0 Adapter offers ultra small portable high-speed wireless connectivity to your Windows laptop or desktop through an available USB port. With faster wireless data rates and more coverage than legacy 802.11 products, WLI-UC-GNM provides better performance and range than many PCs' internal wireless card. This wireless client offers sufficient bandwidth and range to stream video, voice, and music. Support for the AirStation One-Touch Secure System™ (AOSS™) allows you to set up a high-speed, secure wireless network within minutes. The ultra compact size blends in to have minimal visual impact on your notebook or desktop.

Wirelessly connect to the internet:

N150 N-Technology

- Send Email
- Download Music
- Surf Web and more

USB Port

Add high-speed wireless connectivity through an available USB port on your laptop or desktop

Simple Setup

No networking know-how needed
